CCF TAG #	WEIGHT	RFID TAG #	BREED

Additional Information

1. Feeder steer must be in the possession of the Exhibitor no later than the 3rd Saturday of April of the current fair year. Feeder calf must be tagged/validated at the April validation day.
2. Each exhibitor may show two (2) dairy feeder calves, but is allowed to sell only one (1). *Exception – if the exhibitor has both the Grand Champion and the Reserve Grand Champion, both animals **must** be sold at the auction.*
3. Exhibitors are allowed to tag more than two (2) animals, however, each animal must appear on the registration sheet in order to be shown.
4. Calves **must** weigh between 400-650 pounds at the official weigh-in at the fair to be sold in the Youth Livestock Auction or to be considered for any champion animals.
5. All general exhibitor, livestock, and dairy feeder steer division rules will apply to this project. Please refer to the fair book for more information.
