FIRST TIME BUYERS:

To support the exhibitors with purchase of a market animal follow these simple steps:

1. REGISTER at any time before or during the auction and receive a buyer ID number.
2. BID.
3. CHECKOUT- Payment can be made by cash, check, Mastercard, Discover or Visa cards. Inform the clerk as to what you want to be done with your purchase. You can:
 - a) Resell the animal and pay the net price
 - b) Send the animal to a processor and stock your freezer
 - c) Take the animal home

ALL BUYERS:

- BUYERS WISHING TO BUY AS A GROUP should register under 1 group name.
- PAYMENT OF PURCHASE IS EXPECTED TO BE RECEIVED ON THE DAY OF THE AUCTION. As the number of exhibitors and animals increase it has become necessary to remind buyers that in order to facilitate the closing of sale records and issue payments to the exhibitors, payment for purchases is expected to be made on sale day. We accept Mastercard, Discover and Visa cards (with a 3% charge).
- YOUR PURCHASES. Buyers need to be prepared to inform the auction clerks on the day of the sale, where they would like their purchases to be shipped. **Because of the large number of animals and the short time period involved, any animals that have not been routed by 10:00 am Friday after the auction, will be shipped to a terminal for resale - no exceptions!**

We appreciate your continued support!!!
